Statute Compliance 51
Progress on Prior Year Statute Compliance 51
Prior Year Recommendations 51
Current Year Recommendations 51

October 16, 2007

To the Board of Trustees and the Citizens of the Henderson District Public Libraries:

We are pleased to present Henderson District Public Libraries' Comprehensive Annual Financial Report (CAFR) for the fiscal year ended June 30, 2007. This report contains the financial statements and other financial information and statistical data that provide complete and full disclosure of all material aspects of the Henderson District Public Libraries (HDPL). The financial statements in this CAFR conform to generally accepted accounting principles (GAAP) as applicable to governmental entities. We believe the information as presented is accurate in all material respects, and presents fairly the financial position and results of operations of the governmental funds of HDPL. This belief is based upon a comprehensive framework of internal controls that has been established for this purpose. We believe that all disclosures necessary to enable the reader to gain an understanding of HDPL's fiscal accountability have been included. The responsibility for the accuracy and completeness of the data presented and the fairness of the presentation rests with the management of HDPL.

Nevada Revised Statute 354.624 requires an annual audit by independent certified public accountants. The accounting firm of Kafoury, Armstrong & Co. was selected to perform the fiscal year 2007 audit and has issued an unqualified ("clean") opinion on the Henderson District Public Libraries' financial statements for the year ended June 30, 2007. The independent auditor's report is located in the front of the financial section of this report.

GAAP requires that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). This letter of transmittal is designed to complement MD&A and should be read in conjunction with it. HDPL's MD&A can be found immediately following the report of the independent auditors.

Profile of Henderson District Public Libraries

Mission

Henderson District Public Libraries seeks to cultivate a literate community by providing every citizen free access to all books and information resources as well as state of the art technology that supports work, school and recreational activities.

Background

HDPL's history begins in 1943 when a petition was formed to create the Henderson School Public Library. The petition was approved by the Board of County Commissioners, Clark County, Nevada on January 22, 1944, with a rate of ten cents for ad valorem taxes per annum fixed for the expenses. After residing in a small storage building located on Atlantic Avenue for three years, the first real library opened on August 1, 1946, at 55 Water Street in downtown Henderson.

In an attempt to overhaul educational laws, the Henderson School Public Library became a county library district in 1956 during a special session of the Nevada Legislature. At that time, statutes providing for public libraries based on school district boundaries were replaced and county library districts were automatically established with identical boundaries.

Library district boundaries were reestablished in 1985 prior to a bond election for the Las Vegas-Clark County Library District. HDPL boundaries were not contiguous with the City of Henderson boundaries, encompassing county property to the south, east and center and excluding parts of Green Valley. Due to passage of AB44 in 2001, the area commonly known as Anthem was added to HDPL's boundaries during fiscal year 2002. In April 2005, HDPL's boundaries were adjusted again to make them contiguous with the City of Henderson boundaries. This adjustment was made possible by an interlocal agreement with the Las Vegas-Clark County Library District (LV-CCLD).

The library at 55 Water Street outgrew its facility and, in March 1989, the James I. Gibson Library opened at 280 South Water Street, adjacent to the City of Henderson government offices. This library was built with funds authorized from a statewide bond issue. It was remodeled and expanded in 1997 to encompass 16,850 square feet and today offers over 137,000 volumes.

The Pittman Library is located off Boulder Highway in Wells Park. This library opened in 1988 when the Pittman Women's Club deeded its 1,200 square foot building to the City of Henderson, which in turn leased it to the Library District. In 1996 the old building was replaced with the current facility, the Artie Cannon Building. The Library shares this building with the Boys and Girls Club and the Henderson Parks and Recreation Department in a cooperative relationship that supports special programs for children and youth. The current Pittman Library has a collection of over 4,500 items selected primarily to serve children.

In August 1995, to cope with the tremendous population growth of over 19% per year, HDPL leased a storefront library in Green Valley named Lydia Malcolm Library, in honor of the longest serving library director. In February 2005, this library was relocated and expanded to better serve our constituents. The 6,030 square foot building, to which the library was relocated, was purchased in January 2005 with a \$1.74 million general obligation note. This library emphasizes popular books and now offers almost 30,000 volumes.

The Paseo Verde Library opened in August 2002. The 43,313 square foot library was built with funds saved over a six-year period and a \$1.5 million general obligation bond. This library is equipped with all the latest technological advancements and offers a collection of over 174,000 volumes.

Reporting Entity

HDPL was established and operates as an independent governmental unit under authority of Nevada Revised Statutes (NRS) 379. Prior to January 2001, HDPL was governed by a five-member Board of Trustees appointed to four-year terms by the Board of County Commissioners of Clark County, Nevada. In January 2001, the City of Henderson Council appointed two additional members to three-year terms as authorized by a new interlocal agreement per NRS 379.022 subsection 6. The Board of Trustees is responsible for establishing policy and for the overall operations of HDPL maintained within the District's boundaries. HDPL currently operates four libraries – the James I. Gibson Public Library, the Lydia Malcolm Library, the Pittman Library and the Paseo Verde Library, which is the district headquarters.

HDPL is not considered a component unit of any other governmental unit under criteria established by Governmental Accounting Standards Board Statement No. 14, "*The Financial Reporting Entity*."

Budget

HDPL is required to adopt a final budget on or before June 1st of each year. This annual budget serves as the foundation for HDPL's financial planning and control. The budget is prepared by fund and function but management is authorized to transfer resources between functions or funds if the amounts do not exceed total appropriations for the year and the Board of Trustees is notified at the next regular meeting.

Collection and Services

HDPL purchased and processed over 43,000 items worth \$1,026,468 in fiscal year 2007. In addition to purchased materials, HDPL continued to receive and process a large number of donated materials, including books, videos, music CD's and DVD's. The total cost of donations, if purchased, exceeded \$214,535. These donations were distributed to all of the HDPL libraries. These donations allowed HDPL to place an additional 12,456 items into the collection.

HDPL's total collection of over 361,000 volumes in books, recordings, documents, maps, videotapes, CDs, DVDs, CD-ROMs, audio books, and e-books is available to patrons in all four HDPL branches. HDPL makes an effort to collect the most current media available for the broadest scope of public access. The board has allocated an average of almost 15 percent of the annual operating budget for collection development over the last five years.

HDPL's usage continues to increase. Circulation increased from 955,535 in fiscal year 2006 to 1,068,511 in fiscal year 2007. New library cards issued during the fiscal year increased from 17,551 in 2006 to 20,682 in 2007. As well as serving HDPL's own citizens, HDPL lends almost 9,000 items each month to patrons of other area libraries through the countywide policy of open reciprocal borrowing and library use for all patrons.

HDPL is dedicated to interlibrary cooperation and resource sharing for the benefit of all residents of Clark County and the State of Nevada. HDPL maintains memberships in nationwide resource sharing groups that deliver materials to users across the country.

Technology

In fiscal year 2007, the Information Technology Department (IT) completed the implantation of the new public facing website mypubliclibrary.com. The new website was engineered to integrate with software that manages all content on the new website. With this new software, multiple staff members are now able to contribute and post content to the mypubliclibrary.com website. As part of the new web presence, the IT department implemented a software program to allow patrons to view and register for events online. This software also puts room scheduling and management of the summer and winter reading programs online. Bandwidth to the internet was increased at all locations and the District's WAN infrastructure was upgraded to optical Ethernet at the Gibson and Paseo locations.

Following efforts to provide the public and staff with the latest technology, 67 public and staff computer workstations were replaced and 3 new computer workstations were deployed. Seven new servers were installed as well

Community Involvement

HDPL has fostered partnerships with many groups to provide vital community services and programs. Partners include City of Henderson, Henderson Chamber of Commerce, League of Women Voters, Henderson Arts Association, Clark County Heritage Museum, St. Rose Dominican Hospital, Clark County School District, Clark County Nevada Genealogical Society, Las Vegas PC Users Club, Boys and Girls Club, Henderson Allied Community Advocates, University of Nevada – Las Vegas, and United Way of Southern Nevada.

A new community partnership was developed this year with Embarq, through their sponsorship of our online reference service, Answers 24/7. Embarq will fund this service, which is provided by Tutor.com through HDPL's web site, for the next two years in order to support education and information services throughout the community.

In another new partnership, HDPL worked with Nevada State College to develop their community-based learning program. Students must take a community-based learning class along with volunteer work as a graduation requirement in order to learn about the realities of public agencies that provide community services. This program is expected to provide as much as 1000 volunteer hours per year to the library.

Major Initiatives

- In an important literacy initiative, HDPL is the third member of the APPLE Partnership (All People Promoting Literacy Efforts), along with the City of Henderson and the Clark County School District. Through a sponsorship from Rhodes Homes, this group brings major children's authors to Henderson to highlight the value and importance of reading. In another important APPLE initiative, throughout the school year, children record their reading time for the APPLE CORE program. At the end of the year, the school with the most reading time is awarded a computer lab sponsored by PBS&J Engineering.
- HDPL participates regularly in the City's Third Thursdays program on Water Street, in which the downtown businesses and art galleries showcase their products and services with booths, special entertainment, and art exhibits. The library features author interviews, book signings, children's programs, and other activities for these monthly evening events.

- HDPL continues to develop self-service opportunities for patrons to make the library more user-friendly and efficient. Self-check stations were implemented in all libraries in spring 2007, allowing a single staff member to supervise as many as four self-check stations simultaneously.
- A major expansion of adult programming has produced a series of successful programs
 presenting information on a variety of subjects. Programs on identity theft, xeriscape
 gardening, real estate finance, Latin, used book values, and other topics augmented the
 established computer classes, author interviews, book clubs, and movies. Our adult summer
 reading program was kicked off by our first-ever Museum Fair in which numerous local
 museums participated with exhibits and presentations to highlight their areas of interest.
- An important new resource area was added to the public collection this year with
 downloadable audio and video media. With a library card and PIN, patrons can borrow
 audiobooks, movies, television programming, and more, over the Internet from home. Content
 can be played on a computer station or transferred to a playback device, with access varying
 by title. Also, HDPL is able to provide public access to previously recorded library programs
 and events through this new service.
- Outreach services have continued to develop with a total of seven deposit collections at senior residences and with additional bookmobile and off-site services. The bookmobile makes four or more stops per week and circulates as much material as the Pittman Library. Outreach staff regularly performs classes and programs at senior residences, recreation centers, and schools to promote the library's services.

The Future

HDPL continues to work with the City of Henderson to provide library services to all areas of the City and to newly annexed areas as they are developed. With the Board's approval of the Strategic Priorities and Annual Focus Plan, the District is currently in the process of meeting its commitments as detailed in these documents. As Henderson's population continues to increase, HDPL is making a strategic shift from large fixed buildings to a warehouse/outlet model. This shift in approach will allow HDPL to be more flexible in providing library services closer to our resident populations. The first phase of this strategic shift is evident with the new bookmobile (MEL) that is currently scheduled for stops at ten different locations throughout the city. The bookmobile allows HDPL to take the library into the community and offer a wide array of services. HDPL has implemented Self Pickup of Requested material and has also implement patron Self Check services. Additionally, HDPL seeks a transition to RFID that is cost effective. This technology for "tagging" material will allow automated check in of library materials district wide. This automation will ultimately save the district numerous staff hours and allow more productive use of staff time.

Economic Growth

Local Economy

Southern Nevada's commitment to diversification in the business sector, continuing employment growth and a favorable tax base has made it ideal for relocation and business expansion. Nevada does not impose corporate or personal income taxes, nor inventory, special intangible, inheritance, or gift taxes.

Henderson's growth rate is testimony to the desirability of living within the City of Henderson. According to the U.S. Census Bureau, the City of Henderson is the third fastest growing incorporated place of 100,000 or more, with a population increase of 3,067% in the past 50 years. As a result, there are fewer older neighborhoods than in most other major cities, and the popular concept of master planned communities has become more desirable in residential planning. Henderson is known throughout the nation for these premier master planned communities, as well as its outstanding parks and recreational centers, cultural activities and a rapidly growing business community. The median household income in Henderson continues to outpace the county and state averages.

Long-term Financial Planning

In January 2009, HDPL will take possession of the Green Valley Library. The Green Valley Library is located in Henderson but is currently operated by the Las Vegas-Clark County Library District. HDPL is anticipating remodeling expenditures of approximately \$200,000, opening day collection costs of approximately \$1.8 million, and annual operating expenditures of approximately \$1.25 million to staff, operate, and maintain this facility. HDPL currently has set aside over \$850,000 for the remodeling and opening day collection costs with an additional budgeted savings of over \$1,000,000 for fiscal year 2008. The remaining balance will be paid for with savings generated over the next two years.

Awards and Acknowledgements

Certificate of Achievement

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to HDPL for its comprehensive annual financial report for the fiscal year ended June 30, 2006. This was the seventh consecutive year that HDPL has achieved this prestigious award. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for one year only. We believe that our current comprehensive annual financial report continues to meet the Certificate of Achievement program requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

Acknowledgements

The report preparation of the Comprehensive Annual Financial Report on a timely basis could not have been accomplished without the efficient and dedicated services of the entire management staff, Finance Department staff and the staff of the independent auditors for HDPL, Kafoury, Armstrong & Co.

Thank you, the Board of Trustees, for your continued interest and support in planning and conducting the financial operations of the Henderson District Public Libraries in a responsible and progressive manner.

Certificate of Achievement for Excellence in Financial Reporting

Presented to

Henderson District Public Libraries, Nevada

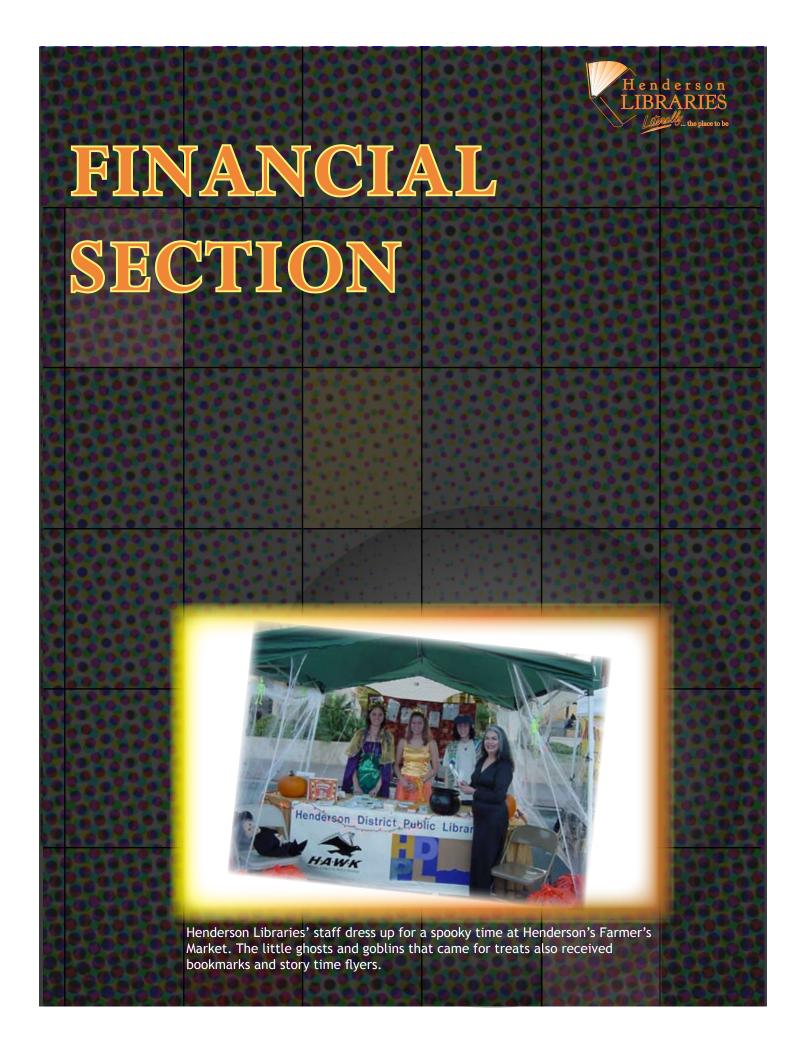

For its Comprehensive Annual Financial Report for the Fiscal Year Ended June 30, 2006

A Certificate of Achievement for Excellence in Financial Reporting is presented by the Government Finance Officers Association of the United States and Canada to government units and public employee retirement systems whose comprehensive annual financial reports (CAFRs) achieve the highest standards in government accounting and financial reporting.

UNIT OFFICE VALUE OF THE CONTROL OF

President

Executive Director

Independent Auditor's Report

To the Board of Trustees of Henderson District Public Libraries Henderson, Nevada

We have audited the financial statements of the governmental activities, each major fund, and the remaining aggregate fund information of Henderson District Public Libraries as of and for the year ended June 30, 2007, which collectively comprise Henderson District Public Libraries' basic financial statements as listed in the table of contents. These financial statements are the responsibility of the management of Henderson District Public Libraries. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information for Henderson District Public Libraries as of June 30, 2007, and the respective changes in financial position and the respective budgetary comparison for the General Fund and the Contributions and Grants Special Revenue Fund, for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Management's Discussion and Analysis is not a required part of the basic financial statements but is supplementary information required by accounting principles generally accepted in the United States of We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Henderson District Public Libraries' basic financial statements. accompanying combining and individual fund statements and schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining and individual fund statements and schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole. The introductory section and the statistical section have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on them. Kajoury, Armstrong & Co.

Reno, Nevada October 16, 2007

Henderson District Public Libraries' (HDPL) discussion and analysis is designed to, (a) assist the reader in focusing on significant financial issues, (b) provide an overview of HDPL's financial activities, (c) identify changes in the HDPL's financial position (its ability to address the next and subsequent years' challenges), (d) identify any material deviations from the financial plan (the approved budget), and (e) identify individual fund issues or concerns.

We encourage readers to read this information in conjunction with the transmittal letter, financial statements and notes to gain a more complete picture of the information presented.

Financial Highlights

- The assets of HDPL exceeded its liabilities at June 30, 2007 by \$11,181,556 (net assets). Of this amount, \$1,861,563 (unrestricted net assets) may be used to meet HDPL's ongoing obligations to patrons and creditors.
- HDPL's total net assets increased by \$1,212,662. See the section on Government-Wide Financial Analysis for details.
- At the end of fiscal year 2007, HDPL's governmental funds had fund balances of \$2,400,277, an increase of \$527,215 from the previous year. This increase is due to revenue increases generated by growth and was offset by expenditures related to additional staffing, library materials, and programs. Approximately 99.8% of ending fund balances, or \$2,394,623, is available for spending at HDPL's discretion (unreserved fund balance).
- As of June 30, 2007 unreserved fund balance in the General Fund was \$1,290,496 or 19.4% of General Fund expenditures.

Overview of the Financial Statements

HDPL's basic financial statements are comprised of government-wide financial statements, fund financial statements and notes to the financial statements.

Government-Wide Financial Statements

The Statement of Net Assets combines and consolidates all of HDPL's current financial resources (short-term spendable resources) with capital assets and long-term obligations using the accrual basis of accounting. The end result is net assets that are segregated into two components: invested in capital assets, net of related debt and unrestricted net assets. Over time, increases and decreases in net assets may serve as a useful indicator of whether the financial position of HDPL is improving or deteriorating.

The Statement of Activities presents information showing how HDPL's net assets changed during the most recent fiscal year. All changes in net assets are reported when the underlying event giving rise to the change occurs, regardless of the timing of the related cash flows. Thus, revenues and expenses are reported in this statement for some items that will result in cash flows in future fiscal periods.

Fund Financial Statements

A fund is a self-balancing set of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. HDPL uses fund accounting to demonstrate legal compliance and to aid in financial management. HDPL uses only the governmental fund category.

Governmental funds – Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements use the modified accrual basis of accounting, which focuses on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. Both the governmental funds balance sheet and the governmental funds statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

HDPL maintains six individual governmental funds. Information is presented separately in the governmental fund balance sheets and the governmental fund statement of revenues, expenditures and changes in fund balance for the General Fund, the Contributions and Grants Fund, and the Capital Construction Fund, all of which are considered major funds. Data from the other three governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of combining and individual statements and schedules elsewhere in the report.

HDPL adopts an annual appropriated budget for all its governmental funds. Budgetary comparisons for all funds have been provided to demonstrate compliance with these budgets.

Notes to the Financial Statements

The notes to the financial statements complement the financial statements by describing qualifying factors and changes throughout the fiscal year. The notes can be found on pages 11-25 of this report.

Government-Wide Financial Analysis

As noted earlier, net assets may serve over time as a useful indicator of a government's financial position. In the case of HDPL, assets exceed liabilities by \$11,181,556 at June 30, 2007.

HDPL's Net Assets

	Governmental Activities						
		<u>2006</u>					
Assets:							
Current and other assets	\$	2,979,346	\$	2,540,912			
Capital assets		11,134,393		10,675,748			
Total assets		14,113,739		13,216,660			
Liabilities:							
Current liabilities		577,554		665,908			
Long-term liabilities		2,354,629		2,581,858			
Total liabilities		2,932,183		3,247,766			
Net assets:							
Invested in capital assets, net of related debt		9,319,993		8,574,248			
Unrestricted		1,861,563		1,394,646			
Total net assets	\$	11,181,556	\$	9,968,894			

The largest portion of HDPL's net assets (83.4%) reflects its investment in capital assets less any related debt used to acquire those assets that is still outstanding. Capital assets consist of land, buildings, equipment, computer equipment, furniture, leasehold improvements, vehicles and books. These assets are used to provide services to the patrons of HDPL and are not available for future spending.

The remaining portion of HDPL's net assets (16.6%) reflects unrestricted net assets that may be used to meet HDPL's ongoing obligations to patrons and creditors.

As of June 30, 2007, HDPL is able to report positive balances in both categories of net assets. The same held true for the previous fiscal year.

There was an increase of \$745,745 in net assets invested in capital assets net of related debt. This increase was primarily due to the management's commitment to increase HDPL's book inventory. See discussion on Capital Assets below for further explanations.

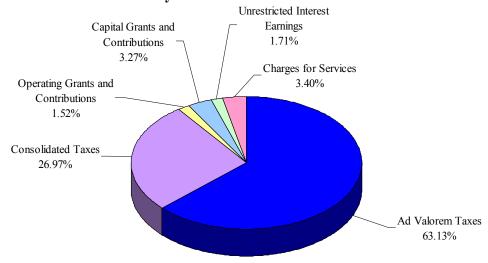

HDPL's Changes in Net Assets

	Governmental Activities				
		<u>2007</u>		<u>2006</u>	
Revenues:					
Program Revenues					
Charges for services	\$	287,630	\$	236,238	
Operating grants and contributions		128,155		108,809	
Capital grants and contributions		276,323		171,110	
General Revenues					
Ad valorem taxes		5,336,280		4,655,583	
Consolidated taxes		2,280,042		2,247,532	
Unrestricted investment earnings		144,842		77,819	
Total revenues		8,453,272		7,497,091	
Expenses:					
Culture and recreation		7,170,483		6,453,879	
Interest		70,127		79,471	
Total expenses		7,240,610		6,533,350	
Increase in net assets		1,212,662		963,741	
Net assets, beginning of year		9,968,894		9,005,153	
Net assets, end of year	\$	11,181,556	\$	9,968,894	

HDPL's net assets increased by \$1,212,662 during the current fiscal year. Key elements of this increase are as follows:

- Ad valorem taxes increased by \$680,697, or 14.6%, due to growth in assessed value.
- Interest income increased by \$67,023, or 86.1%, due to higher investment balances.
- Capital grants and contributions increase by \$105,213, or 61.5%, due in large part to an increase in donated library materials and books that were added to collection.
- Charges for services increased by \$51,392, or 21.8%, due in large part to a sponsorship agreement with EMBARQ. In the agreement, HDPL provides access to online tutoring and 24/7 reference assistance while EMBARQ provides financial support.
- Operating grants and contributions increased by \$19,346, or 17.8%, due to higher federal grant revenues.
- Culture and recreation expenses increased by \$716,604, or 11.1%, over the last fiscal year. A large portion of this increase, \$515,453, is due to increased staffing costs. The remaining portion of this increase, \$201,151, is due in large part to increased programming costs associated with the increase in federal grant revenues and the EMBARQ agreement.

Revenues by Source - Governmental Activities

Fund Financial Analysis

As of the end of the current fiscal year, HDPL's governmental funds reported combined ending fund balances of \$2,400,277, an increase of \$527,215 from fiscal year 2006. Of the 2007 ending fund balances, \$2,394,623, or 99.8%, constitutes unreserved fund balance and is available for spending at HDPL's discretion. The remainder of fund balances is reserved for prepaid expenditures.

General Fund

The General Fund is the chief operating fund of HDPL. At the end of fiscal year 2007, the General Fund had an ending fund balance of \$1,295,710, of which \$1,290,496 was unreserved.

The General Fund's fund balance decreased by \$114,354 during the current fiscal year. Key factors for this decrease are as follows:

- Ad valorem taxes increased by \$680,697, or 14.6%, due to growth in assessed value.
- Investment income increased by \$23,129 due to higher investment balances.
- These increases were offset by a total increase of \$782,238 in general fund expenditures. A large portion of this increase, \$516,939, is due to increased staffing costs. The remaining portion, \$265,299, is due to increased operating expenditures associated with utilities, vehicle maintenance, security costs, and library materials.
- These increases were also offset by an increase in the transfer to the Capital Construction Fund of \$401,653. These funds are being set aside for the remodel and opening day collection of the Green Valley Library.

Contributions and Grants Fund

The Contributions and Grants Fund has a fund balance of \$102,094 at the end of fiscal year 2007. This is an increase of \$8,677 over the previous fiscal year.

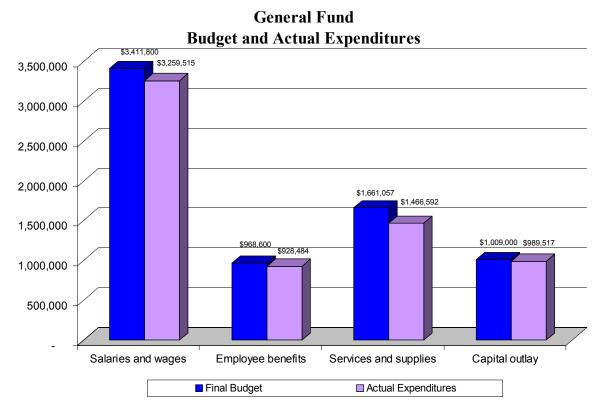

Capital Construction Fund

The Capital Construction Fund has a fund balance of \$873,802 at the end of fiscal year 2007, an increase of \$588,324 over the previous fiscal year. These funds are being set aside for the remodel and opening day collection for the Green Valley Library, which HDPL will receive from the Las Vegas-Clark County Library District in January 2009.

General Fund Budgetary Highlights

The original fiscal year 2007 budget was approved May 18, 2006. State regulations require budget controls to be exercised at the function level. Although function-level control is what is required, HDPL management exercises control at the object level.

Pursuant to NRS 354.598005, HDPL may transfer appropriations between funds, if such a transfer does not increase the total appropriation for any fiscal year. HDPL did not do such an amendment in fiscal year 2007; therefore, the original budget is also the final budget. The following table illustrates the total differences between the final budget and actual expenditures.

Actual expenditures were 94.2% of appropriations, or \$406,349 lower than the final budget. The main areas of savings are summarized below:

- Salaries and wages were \$152,285 below the final budget. This is due primarily to vacancy savings.
- Employee benefits were \$40,116 below the final budget. This is also due primarily to vacancy savings.
- Services and supplies were \$194,465 below the final budget. This is primarily due to a communications/utility savings and a reduction in advertising, printing, travel and training costs, and professional consultants.
- Capital outlay was \$19,483 below the final budget. This was due to Management's decision to not purchase shelving for the storage unit.

Capital Assets

At June 30, 2007, HDPL had \$11,134,393 invested in capital assets (net of accumulated depreciation). This investment in capital assets includes land, buildings, books, computer equipment, equipment, furniture, leasehold improvements and vehicles. This amount represents a net increase of \$458,645, or 4.3%, from last year. The following table reflects capital assets of HDPL at June 30, 2007 and 2006.

HDPL's Capital Assets (net of depreciation)

	June 30, 2007		Ju	me 30, 2006
Buildings	\$	6,773,384	\$	7,080,827
Books		3,548,006		2,850,647
Computer equipment		58,811		28,582
Equipment		44,759		13,840
Furniture		88,915		116,853
Land		461,308		461,308
Leasehold improvements		7,475		7,873
Vehicles		151,735		115,818
Total capital assets, net of depreciation	\$	11,134,393	\$	10,675,748

Major capital asset events during the current fiscal year include the following:

- Books increased by \$697,359. This is due to HDPL's commitment to continually increase the availability and selection of library books and materials for its patrons.
- Computer Equipment increased by \$30,229 due primarily to the purchase of multiple point of sale terminals used in the implementation of patron self check out.
- Equipment increased by \$30,919 due primarily to the purchase of a new boiler for the Paseo Verde Library. Also contributing to this increase was the purchase of a CD cleaner used to clean library materials available for patron use.
- Vehicles increased by \$35,917. This is due to the purchase of a 30' van used for courier services between libraries.
- Buildings, furniture and leasehold improvements decreased by \$307,443, \$27,938, and \$398, respectively. This is due to continued depreciation on existing capital assets.

Additional information on HDPL's capital assets can be found in Note 4 to the financial statements.

Long-term Debt

At the end of the current fiscal year, HDPL had \$2,354,629 in outstanding debt, \$758,000 of which was for a medium term general obligation refunding bond issued in 2003, \$1,056,400 of which was for a medium term general obligation note issued in 2004, and \$540,229 of which was for compensated absences.

Per NRS 379.0225, the debt limitation for HDPL is equal to 10 percent of the total assessed value of all taxable property. The debt limitation currently applicable to June 30, 2007 is \$1,478,011,906. HDPL's net general obligation bonded debt subject to the legal debt margin of \$1,814,400 was well below this legal limit.

Additional information on HDPL's long-term debt can be found in Note 5 to the financial statements.

Currently Known Facts

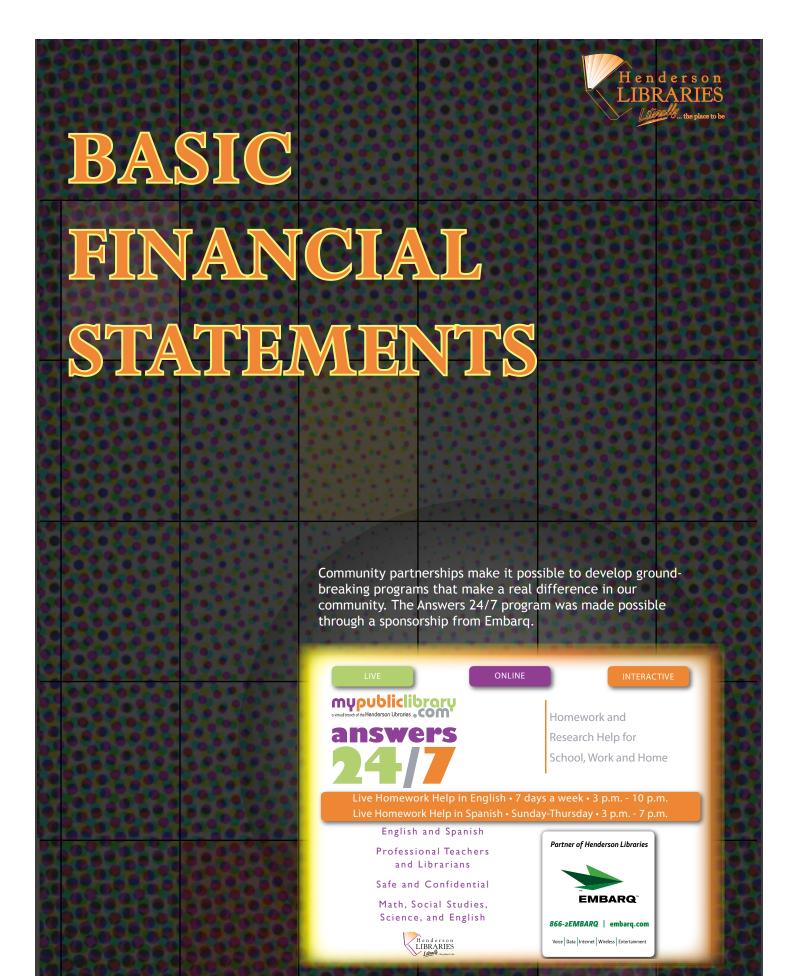

In April 2005, HDPL reached a joint resolution with the LV-CCLD that changed HDPL's boundaries to be coterminous with the City of Henderson's boundaries and adopted and approved an interlocal agreement between the two districts that would transfer ownership of the Green Valley Library to HDPL.

The Green Valley Library is located in Henderson but owned and operated by LV-CCLD. The interlocal agreement would transfer ownership of the building to HDPL in January 2009. Staff, materials, and personal property currently in the building will remain with LV-CCLD. As consideration for LV-CCLD operating, supplying and staffing the Green Valley Library from July 2005 through January 2009, HDPL agreed to pay LV-CCLD an amount equal to the ad valorem revenues collected from the affected taxing districts for the period stated above. Actual revenues for FY07 equaled \$506,098.

Requests for Information

This financial report is designed to provide its users with a general overview of HDPL's finances and to show HDPL's accountability for the money it receives. Any questions, comments or requests for additional financial information should be addressed to:

NOTE 1 – Summary of Significant Accounting Policies

A. Reporting Entity

The Henderson District Public Libraries (HDPL) was established and operates as an independent governmental unit under authority of Nevada Revised Statutes (NRS) Chapter 379. It is governed by a seven member Board of Trustees. Five of the Board members are appointed to four-year terms by the Board of County Commissioners of Clark County, Nevada. The other two Board members are appointed to three-year terms by the City of Henderson Council. The Board of Trustees is responsible for establishing policy and overall operations of HDPL maintained within the District's boundaries. HDPL currently operates four libraries – the James I. Gibson Public Library, the Lydia Malcolm Library, the Paseo Verde Library and the Pittman Library.

HDPL is not considered a component unit of any other governmental unit under criteria established by Governmental Accounting Standards Board Statement No. 14, "*The Financial Reporting Entity*" and does not engage in any business-type activities.

B. Government-Wide and Fund Financial Statements

The government-wide financial statements report information on all of the activities of HDPL. Eliminations have been made to minimize the double-counting of internal activities. Services provided by the General Fund to other funds are reported as expenditures in the funds receiving the services and as reductions of expenditures in the General Fund. The Statement of Activities demonstrates the degree to which the direct expenses of a given function are offset by program revenues. Direct expenses are those that are specifically associated with a function. Program revenues include 1) fees, fines, and charges paid by recipients of goods or services offered by a given program and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function. Taxes and other items not properly included among program revenues are reported instead as general revenues.

The fund financial statements provide information about HDPL's funds. Funds are classified into three categories: governmental, proprietary and fiduciary. During fiscal year 2007, HDPL used only the governmental fund category. The emphasis of fund financial statements is on the major governmental funds, which are each displayed in a separate column. All remaining governmental funds are aggregated and reported as nonmajor funds.

NOTE 1 – Summary of Significant Accounting Policies (continued)

C. Measurement Focus, Basis of Accounting and Financial Statement Presentation

Basis of accounting refers to when revenues and expenditures/expenses are recognized in the accounts and reported in the financial statements. The government-wide financial statements are reported using the *economic resources measurement focus* and *the accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when liabilities are incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenues as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current *financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered *measurable* when the amount of the transaction can be determined and *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, HDPL considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are generally recorded when the related liabilities are incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences, are recorded only when payment is due (or when payment is made).

Property taxes, consolidated tax revenue (sales taxes, cigarette taxes, motor vehicle privilege taxes and liquor taxes), interest associated with the current fiscal period, and federal, state and local grants are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Charges for services, fines and contributions are not susceptible to accrual because generally they are not measurable until received in cash.

Property tax revenue is recognized in the fiscal year in which the taxes become due to the extent they are collected during the fiscal year or soon enough thereafter that they can be used to finance current period expenditures (no later than 60 days after year-end).

NOTE 1 – Summary of Significant Accounting Policies (continued)

HDPL reports deferred revenue in the fund financial statements balance sheets. Deferred revenues arise when potential revenue does not meet both the measurable and available criteria for recognition in the current period. Deferred revenues also arise when resources are received by the government before it has a legal claim to them, as when grant monies are received prior to the incurrence of qualifying expenditures. In subsequent periods, when both revenue recognition criteria are met, or when the government has a legal claim to the resources, the liability for deferred revenue is removed from the balance sheet and revenues are recognized.

HDPL reports three major governmental funds:

The **General Fund** is HDPL's primary operating fund. It accounts for all financial resources and costs associated with the general government, except those that are required to be accounted for in other funds.

The **Contributions and Grants Fund** is used to account for donations, grants, and other non-tax related resources and expenditures separate from the tax based revenues and general operating expenditures.

The **Capital Construction Fund** is used to account for the cost of construction, purchases, modernization, or furnishing of libraries, buildings, or sites.

D. Assets, Liabilities, and Equity

1. Cash and Investments

HDPL maintains three checking accounts, a sweep account and invests resources with an investment firm. HDPL pools cash resources of its various funds in order to facilitate the management of cash and maximize investment earning potential. Cash applicable to a particular fund is readily identifiable.

Cash and cash equivalents include currency on hand, demand deposits with banks and other highly liquid investments, with original maturities of three months or less from the date of acquisition, which are readily convertible to cash.

NOTE 1 – Summary of Significant Accounting Policies (continued)

As more fully described in Note 3, state statutes authorize HDPL to invest in obligations of the U.S. Treasury, certain farm loan bonds, certain securities issued by Nevada local governments, repurchase agreements, banker's acceptances, commercial paper, negotiable certificates of deposit and money market mutual funds. All investments are stated at fair value.

2. Property Taxes

Taxes on real property are levied based on the assessed valuations as of January 1st of each year. A lien is placed on the property on July 1st of each year, and the taxes are due on the third Monday in August. The taxes can be paid in four installments on or before the third Monday in August and the first Mondays in October, January and March. In the event of nonpayment, the County Treasurer is authorized to hold the property for two years, subject to redemption upon payment of taxes, penalties and costs, together with interest from the date the taxes were due until paid. If delinquent taxes are not paid within the two-year redemption period, the County Treasurer obtains a deed to the property free of all encumbrances. Upon receipt of deed, the County Treasurer may sell the property to satisfy the tax lien.

3. Capital Assets

Capital assets are defined as those assets with an initial cost of \$2,500 or more and an estimated useful life of more than one year. Library books and materials purchased throughout the fiscal year are combined together as one item and considered a capital asset. All purchased or constructed capital assets are reported at cost or estimated historical cost. Donated assets are recorded at their estimated fair value at the date of donation. Book deletions are computed using the average cost per book, as determined from the purchases over a period of years. Depreciation is calculated using the straight-line method over the following estimated useful lives:

	Estimated
Asset Class	Useful Lives
Buildings	30 years
Books	5 years
Computer equipment	3 years
Equipment	5 years
Furniture	7 years
Leasehold improvements	20 years
Vehicles	5 years

NOTE 1 – Summary of Significant Accounting Policies (continued)

4. Compensated Absences

It is HDPL's policy to permit employees to accumulate earned but unused vacation, sick and compensatory time benefits, subject to cap limits. All vacation, sick and compensatory time leave is accrued when incurred in the government-wide financial statements. In governmental funds, the current portion of compensated absences, vacation leave, sick leave and compensatory time actually paid or accrued as a result of employees who have terminated, is recorded as a payroll expenditure.

5. Long-Term Debt

In the government-wide financial statements, long-term debt is reported as a liability in the Statement of Net Assets. Bond premiums and discounts, as well as issuance costs, are deferred and amortized over the life of the bonds using the straight-line method, if material. For current and advance refundings resulting in defeasance of debt, the difference between the reacquisition price and the net carrying amount of the old debt is deferred and amortized, if material, as a component of interest expense using the straight-line method. Issuance costs, if material, are reported as deferred charges and amortized over the term of the related bond.

In governmental funds, bond premiums and discounts, as well as issuance costs, are recognized during the current period. The face amount of bonds issued is reported as other financing sources, as are bond premiums. Bond discounts are reported as other financing uses. Issuance costs, even if withheld from the actual net proceeds received, are reported as debt service expenditures.

6. Equity Classifications

In the government-wide financial statements, equity is classified as net assets and displayed in two components:

- a. Invested in Capital Assets, Net of Related Debt Consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any bond, notes or other borrowings that are attributable to the acquisition, construction or improvement of those assets.
- b. Unrestricted Net Assets Consists of net assets that do not meet the definition of "invested in capital assets, net of related debt".

NOTE 1 – Summary of Significant Accounting Policies (continued)

In fund financial statements, governmental fund equity is classified as fund balance. Fund balance is further classified into reserved and unreserved. Reservations of fund balance consist of amounts that are not available for appropriation or are legally restricted by outside parties for use for a specific purpose. Designation of fund balance represent tentative management plans that are subject to change.

NOTE 2 - Compliance and Accountability

A. Budgetary Information

HDPL adheres to the Local Government Budget and Finance Act, incorporated within the statutes of the State of Nevada, which includes the following major procedures to establish the budgetary data that is reflected in these financial statements:

- 1. On or before April 15, the Library Board of Trustees files a tentative budget with the Nevada Department of Taxation.
- 2. Public hearings on the tentative budget are held during the third week in May.
- 3. Prior to June 1, at a public hearing, the Board indicates changes, if any, to be made to the tentative budget and adopts a final budget by the favorable vote of a majority of the members of the Board.
- 4. Formal budgetary integration in the financial records is employed to enhance management control during the year.
- 5. Budgets for all funds are adopted on a basis consistent with accounting principles generally accepted in the United States of America (GAAP) and appropriations lapse at year end.
- 6. Statutory regulations require budget controls to be exercised at the function level. Management is authorized to transfer budget amounts between functions or funds if amounts do not exceed total appropriations and the Board of Trustees is notified at the next regular meeting.

NOTE 2 – Compliance and Accountability (continued)

- 7. Budget augmentations in excess of original budgetary amounts may not be made without prior approval of the Board of Trustees following a public hearing. Such augmentations become effective upon receipt of such resolution by the Nevada Department of Taxation. Various supplemental appropriations were approved during the year to reflect necessary changes in spending and the corresponding additional resources available.
- 8. In accordance with Statute, actual expenditures may not exceed appropriations in the various functions of the General Fund, Special Revenue Fund, and the Capital Projects Funds.

B. Compliance with Nevada Revised Statutes

Henderson District Public Libraries conformed to all significant statutory constraints on its financial administration during this year.

NOTE 3 – Cash and Investments

The following summarizes HDPL's cash and investment balances at of June 30, 2007:

Cash and investments:

Petty cash	\$ 2,025
Cash in financial institutions	313,800
Investments	2,216,467
Total cash and investments	\$ 2,532,292

State statutes govern HDPL's deposit options. HDPL monies must be deposited in insured banks, credit unions, or savings and loan associations. HDPL is authorized to use demand accounts, time accounts and certificates of deposit.

Custodial credit risk for deposits is the risk that, in the event of a failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. As of June 30, 2007, the recorded amount of HDPL's deposits was \$313,800 and the bank balances were \$632,337. Of the bank statement balances, \$100,000 was covered by federal depository insurance, \$495,481 was covered by collateral held by HDPL's agent in HDPL's name, and \$36,856 was uninsured and uncollateralized.

NOTE 3 – Cash and Investments (continued)

HDPL invests through pooling of monies. The pooling of monies is theoretically invested on the whole and not as a combination of monies from each fund belonging to the pool. In this manner, HDPL's Chief Financial Officer is able in invest the monies at a higher interest rate for a longer period of time. Interest revenue is apportioned annually to each fund in the pool based on the average cash balance of the fund for each month. HDPL's investment pool is not registered with the Securities and Exchange Commission as an investment company. Investments made by the Chief Financial Officer are regulated by Nevada Revised Statutes (NRS 355.170).

NRS 355.170 sets forth acceptable investments for Nevada local governments. HDPL has not adopted a formal investment policy that would limit its investment choices nor limit its exposure to certain risks beyond that set forth in the statutes.

The following table identifies the investment types and minimum credit ratings authorized for HDPL by NRS 355.170:

		Maximum	Maximum		
	Maximum	Percentage	Investment	Minimur	n Ratings
Authorized Investment Type	Maturity	of Portfolio	in One Issuer	S & P	Moody
Banker's Acceptances	180	20%	5%	A-1	P-1
Commercial Paper	270 days	20%	None	A-1	P-1
Money Market Mutual Funds	None	None	None	AAA	Aaa
Negotiable Certificates of Deposit	None	None	None	n/a	n/a
Collateralized Nonnegotiable Certificates of	None	None	None	n/a	n/a
Deposit					
Negotiable notes/medium-term obligations of	5 years	None	None	n/a	n/a
local government of the State of Nevada					
Repurchase Agreements	90 days	None	10%	n/a	n/a
U.S. Treasury Obligations	10 years	None	None	n/a	n/a
U.S. Agency Securities:					
Federal National Mortgage Association	10 years	None	None	n/a	n/a
Federal Agricultural Mortgage Corporation	10 years	None	None	n/a	n/a
Federal Farm Credit Bank	10 years	None	None	n/a	n/a
Federal Home Loan Bank	10 years	None	None	n/a	n/a
Federal Home Loan Mortgage Corporation	10 years	None	None	n/a	n/a
Government National Mortgage Association	10 years	None	None	n/a	n/a
Local Government Investment Pool	None	None	None	n/a	n/a

NOTE 3 – Cash and Investments (continued)

As of June 30, 2007, HDPL had the following investments and maturities:

						Fair	Weighted Average																																																		
	Interest Rates	Maturities	rities Par		Par		Par		Par		es Par		Cost	Value	Maturity (Years)																																										
Pooled Investments:						 _																																																			
Federal Home Loan Mortgage	5.0% - 5.2%	08/20/07 - 02/08/08	\$	925,000	\$ 909,605	\$ 919,772	0.27																																																		
Federal Home Loan Bank	5.1%	8/8/08		500,000	500,519	499,220	1.11																																																		
Federal National Mortgage	5.2% - 5.3%	08/01/07 - 11/20/08		800,000	788,190	797,475	0.58																																																		
Total Pooled Investments					\$ 2,198,314	\$ 2,216,467	0.57																																																		

Interest Rate Risk: Interest rate risk is the risk of possible reduction in the value of a security, especially a bond, resulting from a rise in interest rates. HDPL does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates beyond those specified in the statutes.

Concentration of Credit Risk: Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligation and is a function of the credit quality rating of investments. State statutes require governmental agencies to invest in instruments that inherently have low credit risk, as evidenced by the table on page 18. HDPL has no formal investment policy that further limits investments in a single issuer.

The following is a summary of the credit quality distribution and concentration of credit risk by investment type as a percentage of the pool:

% of

	S & P	Moody's	_ Portfolio
Investments			
Federal Home Loan Mortgage	AAA	Aaa	41.50%
Federal Home Loan Bank	AAA	Aaa	35.98%
Federal National Mortgage	AAA	Aaa	22.52%
Total investments			100.00%

Custodial Credit Risk: For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, HDPL will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. At year end, HDPL's investment pool and specific investments had no securities exposed to custodial credit risk.

NOTE 4 – Capital Assets

The following schedule summarizes the changes in capital assets for the year ended June 30, 2007:

Governmental Activities:

	Balance			Balance
	July 1, 2006	Additions	Deletions	June 30, 2007
Capital assets, not being depreciated:				
Land	\$ 461,308	\$ -	\$ -	\$ 461,308
Total capital assets, not being depreciated:	461,308			461,308
Capital assets, being depreciated:				
Buildings	9,208,396	-	-	9,208,396
Books	6,392,700	1,241,004	(427,117)	7,206,587

Governmental Activities:				
Culture and recreation				\$ 947,830

NOTE 5 – Long-Term Debt

A. Changes to Long-Term Debt

Long-term debt, other than compensated absences, is used to construct, maintain, and equip library facilities. The following schedule summarizes the changes in long-term debt:

		Balance ly 1, 2006	<u>A</u>	<u>dditions</u>	<u>Deletions</u>		Balance ne 30, 2007	Due in 2007-2008
General Obligation Bond: Series 2003, Medium								
term refunding bond - \$1,431,000, due in								
annual installments beginning 2004								
through July 1, 2011;	Φ	024.000	Ф		Φ (1 7 (000)	Φ.	750,000	# 10 2 000
interest at 3.05%. General Obligation Note:	\$	934,000	\$	-	\$ (176,000)	\$	758,000	\$182,000
2004, Medium term note - \$1,274,500, due								
in annual installments								
beginning 2005 through November 1,								
2014; interest at 3.75%.		1,167,500		-	(111,100)		1,056,400	115,400
Compensated absences		480,358		357,660	(297,789)		540,229	461,165
Total Long-Term Debt	\$	2,581,858	\$	357,660	\$ (584,889)	\$	2,354,629	\$758,565

B. Payment Requirements for Debt Service

The liability of the general obligation bond and note will be liquidated by the Debt Service Fund and the liability of compensated absences will be liquidated by the General Fund. The annual requirements to pay principal and interest on the bond and note outstanding at June 30, 2007 are as follows:

Fiscal Year			
Ending	Principal	Interest	Total
2008	297,400	60,570	357,970
2009	306,800	50,609	357,409
2010	316,400	40,327	356,727
2011	326,100	29,717	355,817
2012	134,000	18,776	152,776
2013-2015	433,700	24,802	458,502
Totals	\$ 1,814,400	\$ 224,801	\$ 2,039,201

NOTE 6 – Interfund Activity

Interfund transfers for the year ended June 30, 2007 consisted of the following:

	Transfers in								
	Capital	Nonmajor							
	Construction	Governmental							
	Fund	Funds	Total						
Transfers out: General Fund	\$ 542,258	\$ 762,527	\$ 1,304,785						
Total	\$ 542,258	\$ 762,527	\$ 1,304,785						

Transfers are made to use unrestricted revenues collected in the General Fund to finance various programs accounted for in other funds in accordance with budgetary authorizations.

NOTE 7 – Defined Benefit Plan

Plan Description: All HDPL employees who work at least half-time are covered by the Public Employees Retirement System of the State of Nevada (PERS), a cost sharing, multiple-employer, defined benefit plan administered by the PERS. All full-time employees are mandated by state law to participate in PERS. HDPL employees have a choice as to whether to be enrolled under a non-contributory plan where no benefits are payable unless they reach the vesting period of five years or a contributory plan where employee contributions are refunded to the employee if they do not reach their vesting period. PERS provides retirement benefits, disability benefits and death benefits, including annual cost of living adjustments, to plan members and their beneficiaries. Chapter 286 of the Nevada Revised Statutes establishes the benefit provisions provided to the participants of PERS. These benefit provisions may only be amended through legislation. PERS issues a publicly available financial report, which includes financial statements and required supplementary information for PERS. That report may be obtained by writing to the Public Employees Retirement System of the State of Nevada, 693 West Nye Lane, Carson City, Nevada 89703-1599 or by calling (775) 687-4200.

NOTE 7 – Defined Benefit Plan (continued)

Funding Policy: Plan members electing the non-contributory plan are funded under a plan whereby HDPL is required to contribute all amounts due under the plan. Plan members electing the contributory plan are funded under a plan whereby HDPL is required to contribute one-half the amounts due under the plan and the employee contributes the other half due. The contribution requirements are established by Chapter 286 of the Nevada Revised Statutes, which requires adjustments on each odd numbered year based on the actuarially determined contribution rate indicated in the biennial actuarial valuation. HDPL's contribution rates and the amounts contributed (equal to the required contributions) for the last three years are as follows:

	Non-Con	tributory Plan	Contributory Plan				
	Regular		Regular			Total	
Fiscal Year	Member	Contribution	Member	Co	ntribution	Contribution	
2006-07	19.75%	\$ 428,798	10.50%	\$	63,277	\$ 492,075	
2005-06	19.75%	374,387	10.50%		60,459	434,846	
2004-05	20.25%	350,571	10.50%		51,360	401,931	

NOTE 8 – Post-Employment Benefits

In accordance with Nevada Revised Statutes 287.023, HDPL adopted the Retiree Health Insurance Program. Employees are eligible for payment by HDPL of a portion of their health benefit premiums upon retirement, based upon years of service to a maximum of 100% after 20 years of service. Retirees are offered medical, prescription, vision, and life insurance benefits for themselves and their dependents. Retirees must pay the full premium for their dependents. During the current fiscal year, HDPL paid \$1,095 for one eligible participant. Currently, HDPL finances the plan on a pay-as-you-go basis.

NOTE 9 – Risk Management

HDPL is exposed to various risks of loss related to theft of, damage to, and destruction of assets, errors and omissions. HDPL participates in Clark County, Nevada's insurance program to provide health insurance coverage for its employees. HDPL carries insurance policies for liability, fire, theft, auto, inland marine, workers compensation and Directors and Officers coverage. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

NOTE 10 - Contracts

HDPL continued the interlocal agreement with the City of Henderson (the City) whereby the City provides landscape and building maintenance for the James I. Gibson Public Library. These services are to be provided to HDPL at cost, as determined on a monthly basis. This agreement also provides for assistance in the updating or revising the HDPL master plan. These services are to be provided at no cost to HDPL. In addition, this agreement provides for the appointment of two members of the Board of Trustees by the Henderson City Council. The term of the interlocal agreement is six years, and ends on June 30, 2007. On June 21, 2007, this agreement was renegotiated for another six years and will terminate on June 30, 2013 unless renewed for an additional six years by mutual agreement of both parties.

HDPL continued the following leases with the City of Henderson:

- HDPL leased 4.06 acres of land on which the James I. Gibson Library is located for a period of 99 years, commencing April 22, 1986. Upon expiration, this lease shall automatically renew on a year-to-year basis unless either party notifies the other party in writing one year prior to the scheduled expiration date. The leased land was provided to HDPL for the sum of \$1,218 annually but was reduced on July 21, 2005 to the nominal sum of \$1 per year. This change was in consideration for reducing the lease acreage, thereby, allowing the City to develop its City Center Plaza.
- HDPL leased space for a neighborhood library, located at 1608 Moser Street, from the City for a period of thirty months, commencing September 1, 1997. The leased premises were provided to HDPL at no cost in exchange for other considerations, such as the payment of all utilities and janitorial services. Although the initial lease term has expired, this lease automatically renews for up to five (5) additional thirty-month periods unless cancelled by either party.
- HDPL leased 4.36 acres of the land on which the Paseo Verde Library is located for a period of 50 years, commencing May 16, 2000. The leased land is provided to HDPL at the nominal sum of \$1 per year in exchange for other considerations, such as payment of all utilities and janitorial services. This lease is renewable for an additional period of 48 years, unless cancelled by HDPL.

NOTE 10 – Contracts (continued)

Per a joint resolution with the Las Vegas-Clark County Library District (LV-CCLD), HDPL is continuing to pay LV-CCLD the ad valorem revenues collected from certain taxing districts as consideration for their operating, supplying, and staffing the Green Valley Library. This library is located in Henderson but owned and operated by LV-CCLD. These payments will continue until January 2009, at which time, ownership of the Green Valley Library will transfer to HDPL.

On May 17, 2007, HDPL entered into a two-year sponsorship agreement with EMBARQ. This agreement provides HDPL financial support for online tutoring and 24/7 reference services for our patron base. In return for the financial support, HDPL will promote the services and feature the EMBARQ logo on all such promotions.

GOVERNMENTAL

FUNDS

NONMAJOR SPECIAL REVENUE FUND

Extraordinary Maintenance Fund - To account for the costs of capital projects undertaken not more frequently than once every five years to maintain library facilities and equipment in fit operating condition.

NONMAJOR DEBT SERVICE FUND

Debt Service Fund-To account for the accumulation of resources and payment of general obligation bond principal and interest from governmental resources.

MAJOR CAPITAL PROJECTS FUND

Capital Construction Fund - To account for the cost of construction, purchases, modernization or furnishing of library buildings or sites.

NONMAJOR CAPITAL PROJECTS FUND

Capital Technology Fund - To account for the costs of technological equipment and improvements.

STATISTICAL

SECTION

This part of HDPL's Comprehensive Annual Financial Report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about HDPL's overall financial health.

required supplementary information says about HDPLs overall financial health.	0.5
CONTENTS	PAGE
FINANCIAL TRENDS These schedules contain trend information to help the reader understand how HDPL's financial performance and well-being have changed over time.	32-35
REVENUE CAPACITY These schedules contain information to help the reader assess the factors affecting HDPL's ability to generate its property taxes.	36-39
DEBT CAPACITY These schedules contain information to help the reader assess the affordability of HDPL's current levels of outstanding debt and HDPL's ability to issue additional debt in the future.	40-42
DEMOGRAPHIC AND ECONOMIC INFORMATION These schedules offer demographic and economic indicators to help the reader understand the environments within which HDPL 's financial activities take place and to help make comparisons over time and with other governments.	43-44
OPERATING INFORMATION These schedules contain information about HDPL's operations and resources to help the reader understand how HDPL's financial information relates to the services HDPL provides and the activities it performs.	45-49
SOURCES: Unless otherwised noted the information in these schedules is derived from the Compre	phensive Annual

SOURCES: Unless otherwised noted, the information in these schedules is derived from the Comprehensive Annual Financial Reports for the relevant year. **HDPL** implemented Statement 34 in fiscal year 2003; schedules presenting government-wide information include information beginning that fiscal year.

Notes:

¹ The substantial decrease in the unreserved fund balance of the General Fund and the increase of the Capital Project Fund's unreserved fund balance is due to a transfer between the funds in preparation of the building of the Paseo Verde Library.

² The substantial decreases in unreserved fund balance for the Capital Project Funds in 2002 and 2003 was due to the construction of the Paseo Verde Library.

^{*} Information not readily available

Notes:

¹GASB Statement 34, implemented in 2003, requires that capital assets be depreciated. HDPL's collection of books and materials is considered a capital asset. Net book value represents total acquisition cost of circulating materials less depreciation to date.

²Turnover rate is the number of times an item is checked out. This is an average of publicly circulating items in the total collection.

Notes

¹The reduction in square footage is due to a portion of the facility being subleased to the State of Nevada's Talking Books Program. The remaining square footage was retained for library use.

²The District purchased a 6,030 square foot building in which the Malcolm Library was relocated. Of the 6,030 square feet, 2,000 square feet was allocated to the Talking Books program, indicated square footage for library services.

³Square footage for this location is included in the James I. Gibson Library.

⁴The District temporarily leased a location for the Administrative services and Acquisitions & Bibliographic services.

⁵Square footage for this location is included in the Paseo Verde Library.

Notes:

¹The Contributions and Grants Fund was created in fiscal year 2005. Grants awarded after fiscal year 2004 are recorded in this new fund and are therefore not recorded on this schedule.

INDEPENDENT ACCOUNTANT'S REPORT

You just never know who will show up for story time. The "Fonz" Henry Winkler poses with Henderson Libraries' employee Kathy Folger at a local elementary school where they read books to kids.

Independent Accountant's Report

To the Board of Trustees of Henderson District Public Libraries Henderson, Nevada

We have reviewed the assertion provided by management in accordance with Nevada Revised Statute 354.624 (5) (a):

- > The identified funds are being used expressly for the purposes for which they were created,
- > The funds are administered in accordance with accounting principles generally accepted in the United States of America,
- > The reserved fund balances in the funds were reasonable and necessary to carry out the purposes of the funds at June 30, 2007 (based on the interpretation of reasonable and necessary provided by the Legislative Counsel Bureau),
- > The sources of revenues, including transfers, available for the funds are as noted in the financial statements,
- > The funds conform to significant statutory and regulatory constraints on its financial administration during the year ended June 30, 2007,
- > The net assets and fund balances of the funds are as noted in the financial statements.

This assertion is the responsibility of the management of the Henderson District Public Libraries.

Our review was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on the assertion. Accordingly, we do not express such an opinion.

Based on our review, nothing came to our attention that caused us to believe that the assertion provided by management, referred to above, is not fairly stated in all material respects.

Kajoury, Armstrong · Co.

Reno, Nevada October 16, 2007

AUDITOR'S COMMENTS

Story times and activities focus on the skills pre-school children will need to be ready for kindergarten. Story times are offered at all Henderson Libraries, as well as many locations in the community.

HENDERSON DISTRICT PUBLIC LIBRARIES AUDITOR'S COMMENTS JUNE 30, 2007

STATUTE COMPLIANCE

The required disclosure on compliance with the Nevada Revised Statutes and the Nevada Administrative Code is contained in Note 2 to the financial statements.

PROGRESS ON PRIOR YEAR STATUTE COMPLIANCE

HDPL conformed to all significant statutory constraints on its financial administration during the year ended June 30, 2006.

PRIOR YEAR RECOMMENDATIONS

There were no specific recommendations made in the audit report for the year ended June 30, 2006.

CURRENT YEAR RECOMMENDATIONS

We did not find any financial weaknesses of a magnitude to justify inclusion within our audit report.
